Trinity TechClean owner Duke Fowler has made a niche for himself by cleaning computers and electronics. His clients range from retail to schools.

**T**rinity TechClean L.L.C., a technology equipment cleaning business, 296-7529 or [www.trinitytechclean.com](http://www.trinitytechclean.com), is owned by Duke Fowler, 40, of Louisville. He has a bachelor's degree in information systems security from ITT Technical Institute. His company professionally cleans dust and/or dirt out of equipment including computers, telephones, printers and point-of-sale systems, and also disinfects that equipment.

Starting the business: «I was laid off from my previous job due to the downturn in the economy. I took a few months off to think about what I wanted to do. And with a little ...
